Brickell City Centre

Miami, FL

THE STORY

Located in downtown Miami, Florida, Brickell City Centre is a \$1.05 billion mixed-use development. Brickell City Centre spans 9.1 acres, 5.4 million square feet of office, residential, hotel, retail and entertainment space in addition to a 7 acre underground parking garage.

THE SCOPE

The scope and scale of this project required the comprehensive lift solutions that only a company with Maxim’s resources can provide. This included over 11 operated and maintained Tower Cranes, All Terrain Cranes, Crawler Cranes, Hydraulic Truck Cranes, Rough Terrain Cranes and Carry Deck Cranes of various types and sizes. In addition, Maxim provided project planning, project engineering, and industry leading safety practices for the duration of the project. *The result: over 238,300 hours of work completed without a major safety incident.*
